2026 Neighbour Day – June 20th	Neighbour Day is Calgary's celebration of community spirit. Held each year on the third Saturday in June, Neighbour Day is a step toward creating welcoming and inclusive communities where neighbours connect and belong every day of the year. Good things happen when you get to know your neighbours. They can add a friendly visit to your day, and you can lend a helping hand when needed. Social connection with neighbours reduces loneliness and isolation and builds strong communities where people feel they belong. Free block party and greenspace permit applications are now open. Please apply by May 31, 2026.
Rain Barrel Rebate	The City of Calgary's rain barrel rebate program is returning in 2026 and is delivered through Green Calgary. Rain barrels can also help reduce stormwater runoff in our creeks and rivers. For details visit YardSmart rain barrels
